Book Reports

There will be four assignments throughout the course. Assignments will be graded on a scale of check-plus-check-check-minus. You are allowed to work in groups of up to three students each. Each group will only need to submit one copy of an assignment.

Make up exam

A student who does not show up in an exam will be given a zero for that exam. Except in an emergency, I *do not* want to give make-up exams.

Re-grades

If you feel that an error has been made in the grading of the question on an examination you can submit the exam in question for a regrade. Regrade requests have to be submitted no more than one week after the examination in question was returned to you. Please note that the entire exam will be reviewed for accuracy.
