

GLEF4090- Research Project on Global Economics and Finance
2020-21 Term 1
Course outline

This course is designed for students in their final year of major study in GLEF only.

This course requires the student to conduct an individual research project on a topic in global economics and finance under the supervision of an instructor. The student is required to formulate a research topic, write a proposal, conduct literature search and review, compile datasets, carry out econometric analyses, write a final report, and present the findings in class.

THE TEACHING TEAM
