

Econ5542 Analysis of Fiscal and Monetary Policy in China

Spring 2024

Instructor: Professor Kang Shi

Email: kangshi@cuhk.edu.hk;

Office: ELB931

Website: <http://kangshi99.weebly.com>

Course Objective:

This graduate course includes two parts. The first part provides elementary monetary and fiscal policy theories providing students a general framework for policy analysis. The second part mainly discusses the development of Chinese monetary policy and fiscal policy in the past three decades, the potential policy reform, and its implications for the Chinese economy.

Required Textbook:

Lectures notes
